

**One company + Diverse offerings**

As the largest dedicated full-service life sciences and healthcare real estate practice in the country, our team is backed by the power of the Transwestern organization, with competencies in real estate services, development, investment management and opportunistic ventures.

Our experienced national team ensures your real estate delivers on all counts, driving value for your organization. With on-the-ground experts in the country's leading life sciences markets, we understand the tech eco-system and anchor healthcare and university drivers, as well as the regulatory environment, technological demands, workforce expectations and financial considerations our clients face every day.

Good ideas put into practice.  
That's thinking beyond the obvious.
